

City of Biloxi 100-Year Floodplain

This map shows existing waterways in dark blue. The areas in light blue show the 100-year floodplain. City ordinances require that any new construction in the floodplain must be elevated one foot above the base of 100-year floodplain.

You can get free how-to info on preparation and construction

Need more information about flood preparation and construction? The city has assembled a wealth of free how-to booklets about steps that you can take to minimize damage from storms and flooding. The books are available at these locations:
