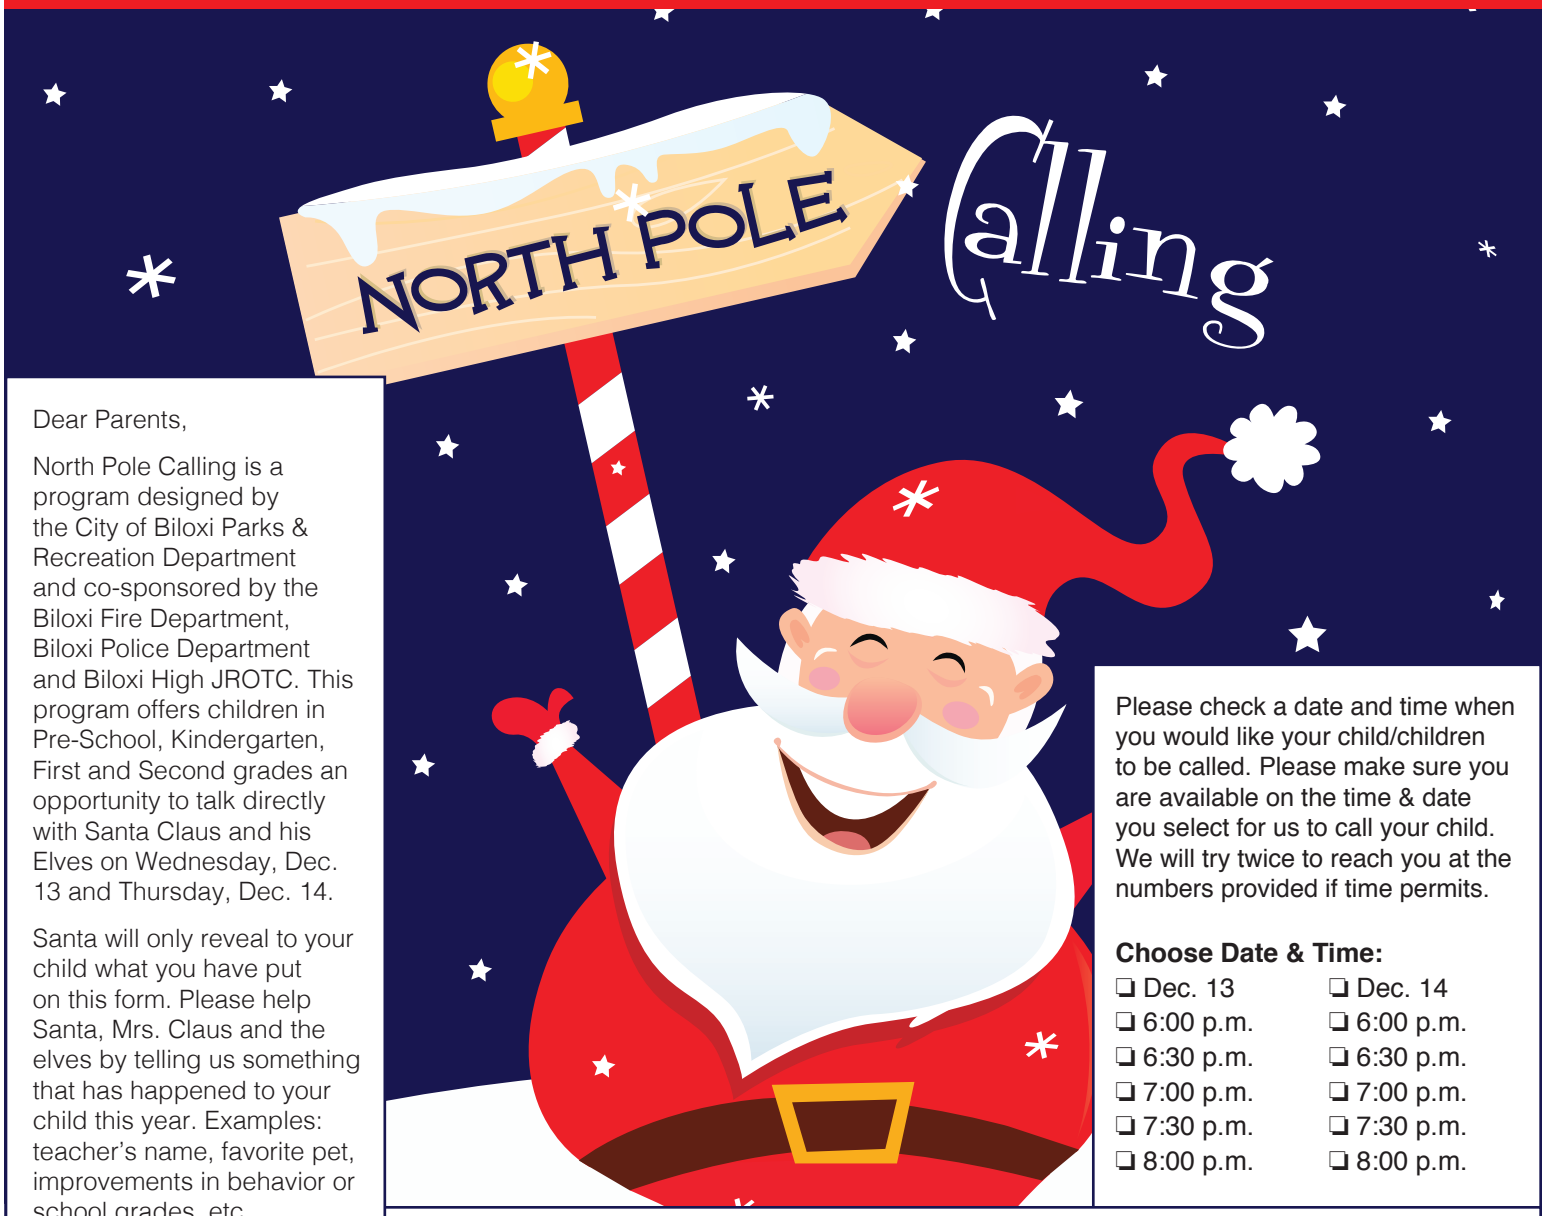
City of Biloxi Parks & Recreation Department Presents



Dear Parents,

North Pole Calling is a program designed by the City of Biloxi Parks & Recreation Department and co-sponsored by the Biloxi Fire Department, Biloxi Police Department and Biloxi High JROTC. This program offers children in Pre-School, Kindergarten, First and Second grades an opportunity to talk directly with Santa Claus and his Elves on Wednesday, Dec. 13 and Thursday, Dec. 14.

Santa will only reveal to your child what you have put on this form. Please help Santa, Mrs. Claus and the elves by telling us something that has happened to your child this year. Examples: teacher's name, favorite pet, improvements in behavior or school grades, etc.

Please write a special "secret" that only Santa would know. Print clearly:
